

## Accountant (Generalist) – French Speaker

### About us

As the founding entity of RAINBOW PARTNERS, Quanteam is a consulting firm specializing in the fields of Banking, Finance, and Financial Services.

Guided by our core values of closeness, teamwork, diversity, and excellence, our team of 1030 expert consultants, representing 35 different nationalities, collaborates across 12 international offices: Paris, Lyon, New York, Montreal, Madrid, London, Brussels, Geneva, Lisbon, Porto, Singapore and Casablanca.

Committed to sustainability (Ecovadis Gold), diversity (gender index: 92%), and quality of work life (Best Workplace Experience), Quanteam is a forward-thinking enterprise.

With a dual expertise in both business and IT, Quanteam supports its corporate clients (investment banks, asset management companies, private and retail banks, custodians, etc.) across the entire Front-to-Back spectrum in evolving their business activities and transformation projects.

### Main job responsibilities

- △ Prepare and analyze monthly financial statements, ensuring accuracy and compliance with accounting standards.
- △ Ensure adherence to financial regulations and applicable tax laws.
- △ Collaborate with internal teams to optimize financial processes and improve operational efficiency.
- △ Maintain and strengthen relationships with clients in the financial sector, serving as the main point of contact for accounting matters.
- △ Stay updated on relevant financial regulations, accounting standards, and industry best practices.
- △ Hybrid regime in the Porto office.

### What are we looking for?

- △ Fluency in French and English, both spoken and written.
- △ Bachelor's degree in Accounting, Finance, or a related field.
- △ Proven experience in accounting roles, preferably in international environments.
- △ Strong analytical skills and attention to detail.
- △ Ability to work independently and within a team, managing multiple tasks and deadlines.
- △ Up-to-date knowledge of international accounting standards and tax regulations.
